

## DAYS OF PAST

*No matter how many days pass  
I will always remember that day,  
D-Day.*

*Leaping into ice cold water,  
Coming ashore,  
We were going to win,  
Of that I was sure.  
No matter how many bullets fly past,  
I will always remember this day,  
D-Day.*

*I am laid here now,  
Silent as death,  
Never forgetting that day,  
D-Day.*
